Narcotics Anonymous (NA) is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We meet regularly to help each other stay clean. We are not interested in what or how much you used but only in what you want to do about your problem and how we can help.

NA volunteers are sponsoring a Narcotics Anonymous tent again this year for veterans to drop by and find out what we are all about. None of us are professional counselors or provide any kind of medical advice. We are all people who have recognized that we have a problem with drugs (including alcohol) and have used the NA 12 steps to NOT use JUST FOR TODAY. We have meetings planned to start on even numbered hours of the day. We have lots of free literature and meeting schedules in English and Spanish. Tonight, at 7:00 PM we will have a guest speaker, Frank W., who served in the US Marine Corps 1970-73, including Vietnam 71-72, and was discharged as

a Sgt E-5. His clean date is November 17, 1994 and has been in service at various levels with NA since January 1995. Today, he is president of the Northern California Region Service Organization Board of Directors, a volunteer

position. He has two adult sons, and has completed 24 marathons in the US, Canada, and Australia as well as winning bronze medals in the Steeple Chase at two Masters World Games and placed in the top 10 in three other events.

At 8:00 PM tonight, we will have a presentation called *Everything You Wanted to Know About NA, But Were Afraid to Ask!* All the basic info about NA will be presented, included how we developed, how the 12 steps work, what we do at meetings, why we are entirely self-supporting, and why helping other addicts is such a very critical part of each member's recovery process, as well as who is a Sponsor and who is a Sponsee.

See you there!

"Basic information and camp rules" continued from the front page.

MEDICAL CARE is available from the time you arrive. We will provide TB testing upon your arrival. Other infectious disease screening will be available. Check with your Tent Leader and the daily schedules for updates.

No ins and outs. We can not keep track of people if they leave and come back in again. If you want to leave, you may do so at any time. If you leave, you can not come back in during the remainder of the event. If you leave early you may not take supplies/ shoes/clothing given to you during the event. Otherwise, people would just show up for the goodies and then leave.

LZ BURBINE BLURB

All the news that fits, we print.

Welcome to East Bay Stand Down 2006!

What is a Stand Down

Stand Downs were named in Vietnam for the relatively safe times when combat troops could get a shave, shower, clean clothing and other comforts. The term was used again twelve years ago to describe a way to help displaced vets by the Vietnam + of San Diego. Since that time, there have been hundreds of Stand Downs held throughout the country. This is the third EBSD.

What is LZ Burbine?

The East Bay Stand Down is named after Len Burbine, who was one of our original organizers. Len passed away before the Stand Down came to be so, as was the tradition in Vietnam to name a helicopter landing zone (LZ) after one of our fallen comrades, we have named the East Bay Stand Down after USMC Sergeant Major (Retired) Leonard Burbine.

Who is doing all this?

Our main sponsors are The Vietnam Veterans of Diablo Valley, the Concord Vet Center, the Ladies Auxiliary of the Antioch VFW Post 6435, The Danville-Sycamore Valley Rotary, SBC Pac Bell, United Airlines, the United Way of the Bay Area, Eli Lilly & Co., the California Department of Veterans Affairs, The United States Army 63d RSC and many more. We have over 800 volunteers from around the bay area signed up to help.

Why are we doing this?

Because stand downs have proven to work to help break the cycle of homelessness. Because you, the participants, earned extra help by virtue of your service to our country. Because you have proven you can complete a tough assignment in your past, we know you can do it again. This is a hand up, not a handout.

LEGAL HELP

We will have the Superior Courts from Alameda, San Francisco, Contra Costa, Solano, Santa Clara and San Joaquin Counties will be convening here on Saturday, August 12. If you have misdemeanor violations which have or have not gone to warrant you may have the judge decide on them here. Alternatives to sentencing are available while you are at this event. You will be given "sign offs" for every meeting or service you attend. When you go to court here, those sign offs will be taken into consideration in your sentences.

There will be no arrests at Stand Down

In order to receive a hearing on your pending misdemeanors or to find out if you have any, you must register with the legal folks no later than 12 noon on Friday, August 11. There will be other legal help for you through attorneys in the legal tents. This help will be for issues like child support, tax problems, bankruptcy, or other common problems.

Basic Camp rules and information:

LZ Burbine is a safe place for you and for the people working here. The rules apply to both participants and volunteers/staff. We will treat everyone with respect and concern. We require all participants to attend meetings/

services while they are here. These meetings and services will be available all the time. You must attend at least two meetings daily at 10 a.m. and at 2 p.m. All participants must attend meetings unless they are participants in court or at another appointment. This is in hopes that participants will get more out of the event than just food, clothing, shoes and a couple of movies.
